

## **Animal Crackers**

Animal crackers  
In my box  
Open the lid,  
And out they'll pop.  
**First comes elephant**  
Swinging his trunk.  
He moves very slowly,  
Thump, thump, thump.  
**Silly monkey**  
Jumps up and down.  
He eats bananas  
And swings around.  
**Tall giraffe**  
Wrinkles his nose  
He has spots  
From head to toe.  
**Lion growls**  
And paces around.  
He's the king  
Of jungle ground.  
**Humpback camel**  
Blinks his eyes  
And looks about  
With Great Surprise  
**Hippo dives**  
In the water deep.  
He eats some grass  
And then he sleeps.  
Catch them quick!  
They're on the run.  
Eat them up.  
Yum! Yum! Yum!
