Ms. Chauncey:

Your presentation was inspiring and useful. Thank you for your generosity. I cannot believe the teachers are not flocking to you with project ideas. If you were the librarian in my school, I would be camped out in the library. Wow!

I would love to visit you and your library. Would it be possible to schedule a day during the first week of May?

I look forward to hearing from you.

Thank you.

Hi Deborah,

Yes, that would be fine. Let me check my schedule that will allow you to observe children working. I will clear it with our principal, Dr. McCarthy -- I'm sure she will be delighted to host a visitor. Could you send info about your own school district, grade levels etc. I sent two emails out this morning to participants from the workshop -- the content of these emails is repeated below for your info... I should have collected emails for follow-up.

Sarah ;)
