

Last Night I Dreamed of Chickens

Written by Jack Prelutsky

Reader 1: Last night I dreamed of chickens, there were chickens everywhere,

Reader 2: They were standing on my stomach, they were nesting in my hair,

Reader 3: They were pecking at my pillow, they were hopping on my head,

Reader 4: They were ruffling up their feathers as they raced around my bed

Reader 5: They were on the chairs and tables, they were on the chandeliers,

Reader 6: They were roosting in the corners, they were clucking in my ears,

Reader 7: There were chickens, chickens, chickens for as far as I could see...

Reader 8: When I awoke today, I noticed there were eggs on top of me.
